

GUTS INTERNSHIP

THE LIFEBLOOD OF GUTS CHURCH

MISSION STATEMENT

To develop the character, knowledge and skills necessary to influence change in the world with the power of God, through the local church.

ABOUT

The Guts Internship is an intense ministry training like none other in the world. Guts Interns endure a challenging atmosphere in every facet of life. From living together and functioning as a team to physical workouts, mentally demanding projects and leadership in ministry, they are stretched beyond their perceived capacity, while truly discovering what they are made of.

Guts Interns are trained by world-class leaders in ministry who have changed the game in their field. They also work side-by-side with volunteers who are influential in their industry while committing their lives to the local church. They are constantly surrounded by people committed to their growth and development to see a measurable change in just 12 months.

LETTER FROM PASTORS BILL AND SANDY SCHEER

Welcome!

We are excited for your interest in the Guts Internship. Our internship incorporates hands-on ministry experience, classroom instruction, event planning, small group accountability, and guidance under the oversight of the incredible staff of Guts Church.

In every facet of Guts' ministry, you'll find interns' fingerprints. This program gives you the opportunity to be stretched, tested and groomed to develop you as a leader.

We have gone to great lengths to create an environment conducive to growth spiritually, professionally and personally. The goal of the Guts Internship is to prepare you for your purpose and win the race God has called you to run.
